CALIFORNIA LEGISLATURE—2003–04 REGULAR SESSION

ASSEMBLY BILL

No. 921

Introduced by Assembly Member Firebaugh

February 20, 2003

An act to add ~~Sections 60200.8 and~~ *Section* 60220.5 to the Education Code, relating to instructional materials.

LEGISLATIVE COUNSEL'S DIGEST

AB 921, as amended, Firebaugh. Instructional materials: ~~cost~~ ~~consideration~~: submission fee.

Existing law requires the State Board of Education to adopt basic instructional materials for use in kindergarten and grades 1 to 8, inclusive, in language arts, mathematics, science, social science, bilingual or bicultural subjects, and any other subject, discipline or interdisciplinary areas for which the state board determines the adoption of instructional materials to be necessary or desirable.

~~This bill would require the State Board of Education to consider the cost of the instructional materials, per pupil, in selecting the instructional materials for adoption, as specified.~~

Existing law sets forth various requirements upon publishers and manufacturers submitting instructional materials for adoption. Existing law imposes various duties upon the Curriculum Development and Supplemental Materials Commission, including, among others, the duty to develop criteria for evaluating instructional materials submitted

for adoption and to study and evaluate instructional materials submitted for adoption.

This bill would require publishers and manufacturers that submit instructional materials for review and adoption by the state board to pay a fee, as provided, to the State Department of Education. The bill would create the Publishers and Manufacturers Submission Fee Fund and would require those fees to be deposited into that fund. The bill would make those funds available, upon appropriation, to the ~~State Department of Education~~ *department* for the purpose of funding the expenses of the Curriculum Development and Supplemental Materials Commission.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
